

Northern Territory Rogaining Association Inc.
presents the first event for 2006...

From the Palmerston Campus
of Charles Darwin University.

Exploring the streets of
Palmerston and surrounding
bush.

Maps of the course available
from 1 pm.

Early entry is encouraged!!

ROGAINING is the sport of long-distance cross-country day & night-time navigation. Teams travel on foot, navigating between checkpoints set in variable terrain, aiming to visit as many checkpoints as possible in the allocated time. Some are out to win; others just for fun. A central base, the Hash House, provides meals during the event. A great introduction to ROGAINING is the METROGAINE, which leads teams through urban areas placing less reliance on compass navigation & bush craft.
