

Northern Territory Rogaining Association

INDEMNITY AND RELEASE

ONE FORM PER PERSON

Team No:

Note: This is a legal document. You should obtain legal advice before signing if you do not understand its meaning and effect. All members of a rogaining team must read and sign one of these forms. Maps will only be given out once ALL team members have completed their details and signed.

Rogaining is an activity which can involve risk of personal injury or property damage. While it is acknowledged as a challenging activity, the risks ought not to be discounted particularly navigating through potential dangers in a bush and urban setting in daylight or darkness. Extreme care must be taken by participants to avoid injuries from vehicles, extreme heat, unpredictable weather events, flooded waterways, uncontrolled and wild animals, slips, trips and falls, any of which can occur at any time. Other less obvious risks will occur because of the nature and type of terrain through which the activities are conducted. The Association requires each participant to carry equipment such as suitable footwear and clothing, food, torch, compass, water, first aid kit, whistle, sun and insect protection and any other allowed devices which will limit the inherent risks in the activity.

By taking part in the activity, each participant acknowledges that the sport of Rogaining involves considerable risk and agrees that by entering this rogaine they do so at their own risk.

The participant binds themselves, their executors, administrators, heirs, successors and assigns as follows:

- a) The participant agrees to discharge and release the Northern Territory Rogaining Association, its volunteers, the owners and occupiers of land used in the event, event sponsors and producers, community organisations, Territory, Federal and Local Authorities in which the event may be held and their (its) representatives from all liability for death, disability, personal injury, damage to property, theft, and all foreseeable risks, claims or actions of any kind, howsoever caused, resulting from their participation – directly or indirectly – in this event.
- b) The participant agrees to further indemnify and hold harmless all entities and persons mentioned in the previous clause (a) from all liabilities, claims or action, as mentioned above, irrespective of whether the Association or its employees or agents may have been negligent.

In particular, the participant agrees to indemnify the Association for any loss or damage arising from participating in the event and agrees that this indemnity may be pleaded as a complete defence to any legal proceedings or any right the participant may claim against the Association, its servants, agents or any owner or occupier of land used in the proceedings.
